Upcoming Events

Speaker Series: ***Haunts of the White City: Ghost stories from the World's Fair – Sept 18th at 7pm***

Even as the White City emerged from the ashes of the Great Fire, serial killers like H.H. Holmes stalked the sparkling new boulevards and tragic accidents plagued the factories, slums and railroads that powered the churn of industrial innovation. Ship captains spoke to the dead, while undertakers discovered reanimated corpses no longer requiring services. From posh mansions built on massacre grounds to the drowned quarries of a forest preserve, Ursula Bielski follows the dark undercurrents beneath the electric lights of the World's Fair.

To learn more about paranormal activity at or near this famous Chicago event, be sure to attend the program offered by the Norwood Park Historical Society on Sept. 18. "Haunts of the White City: Ghost Stories from the World's Fair," will be presented by noted author and parapsychologist Ursula Bielski.

The program will begin at 7 p.m., at the historic Noble-Seymour-Crippen House (Chicago's oldest—1833), 5624 N. Newark Ave. in Chicago. A question-and-answer session will follow. [See Press Release.](#)
